

SIDA

(last edited on 28 February 2020)

This is a Bobo piece about SIDA (AIDS) as it is played by the group Zuper Zamaza (from Youssouf and Kassoum Keita). The song is sung about prevention of sexually transmitted diseases. But also about the fact that since SIDA in the world so many people are dying.

Lyrics on melody 1

*Ho SIDA tjouzo, ho di mi nja wè rè, mihima ho nja ra lee
